Company Information

Company presentation

WIBEMO SA is a family company founded by Willy Bendit in 1967. Today it is managed by his son Thierry assisted by his sister Nadine, who are leaders of a team of over 35 employees.

Thanks to an efficient, modern production shop we are able to produce precision tools like special collets, and can also take on sub-contracting jobs.

Active for many years in the field of Swiss type machining, WIBEMO SA proposes a comprehensive service and an efficient partnership to facilitate your procedures and reduce the purchase costs of different tools.

We propose a range of many well-known brand of products, thanks to our active collaboration with various manufacturers such as :
